Your Brief — What We Heard

A summary of your requirements as we understand them - do correct us if we've missed something.

Organisation	**US-headquartered GCC**	Establishing an India capability centre in Gurugram
Headcount	**200-250 seats**	Initial team; potential to scale further in 12-24 months
Space Type	**Managed / Operator-run office**	Fully furnished, plug-and-play - no fit-out responsibility
CapEx	**Zero upfront investment**	All costs to flow as monthly opex; no deposits or fit-out spend
Operations	**Fully managed FM**	Housekeeping, security, utilities, IT infra - all handled
Location	**Gurugram - micromarket TBD**	Shortlist to be aligned post discovery call
Area	**~25,000-35,000 sq ft (carpet)**	Based on 100–140 sq ft per seat (GCC collaborative standard)
Timeline	**To be confirmed**	Estimated go-live in 4–6 weeks post agreement signing

Our Analysis

Why managed office is the right call for your brief

The Traditional Route Doesn't Fit Your Brief.

- Bare-shell lease: ₹2–5 Cr upfront fit-out cost
- Traditional lease lock-in = 3–9 years
- Setup takes 3–6 months minimum
- Ongoing FM burden falls on you
- Separate vendors for IT, security, utilities

Why Managed Office Fits

Zero CapEx

Monthly fee covers everything — no fit-out, no deposit

4–6 Week Go-Live

Spaces are ready; you just customise & brand

Ops-Free

Operator handles FM, IT infra, utilities end-to-end

Flexible Terms

1-3 year agreements; scale up or down as you grow

Brand-Ready

Custom branding applied before Day 1

Gurugram Micromarkets

Each micromarket has a distinct character. Here's how the top three GCC belts compare — we'll align on your shortlist.

FLAGSHIP GCC ADDRESS

Cyber City / DLF Ph 2

Managed Office (per seat/mo):	**₹12,000–18,000**
Available Grade A Stock:	**High — multiple operators**
Metro Access:	**✓ HUDA City Centre — 5 min**
GCC Density:	**★★★★★ Highest in Gurugram**
Talent Pool:	**Deepest — all major tech & BFSI**
Commute (NH-48):	**10–20 min from most sectors**
Typical Go-Live:	**4–5 weeks**

✓ Prestige address — attracts talent

✓ Dense operator ecosystem

✗ *Highest per-seat cost*

PREMIUM RESIDENTIAL BELT

Golf Course Road

Managed Office (per seat/mo):	**₹10,000–15,000**
Available Grade A Stock:	**Moderate — select operators**
Metro Access:	**✓ Sec 54–56 — 8 min**
GCC Density:	**★★★★☆ High — growing belt**
Talent Pool:	**Strong — senior tech & finance**
Commute (NH-48):	**15–25 min from most sectors**
Typical Go-Live:	**4–6 weeks**

✓ Premium residential proximity

✓ Lower cost than Cyber City

✗ *Fewer operators vs Cyber City*

BEST VALUE FOR GCCs

Golf Course Ext. Road

Managed Office (per seat/mo):	**₹8,000–12,000**
Available Grade A Stock:	**High — rapidly growing**
Metro Access:	**◑ Proposed extension by 2026**
GCC Density:	**★★★☆☆ Fast-growing GCC belt**
Talent Pool:	**Growing — strong mid-level talent**
Commute (NH-48):	**20–35 min from most sectors**
Typical Go-Live:	**4–6 weeks**

✓ Best-in-class per-seat value

✓ Newest Grade A buildings

✗ *No metro yet (2026 planned)*

Space & Area - What to Expect

Carpet Area

The actual usable floor space inside the office - workstations, meeting rooms, common areas.

For 200-250 seats at GCC standard - (~110 sq ft/seat)

22,000 – 28,000 sq ft (carpet)

Super Area

Includes common areas shared across the floor - lobbies, corridors, washrooms. Adds a 'loading factor' (typically 20–30%).

Same 200–250 seats would be quoted as:

27,000 – 36,000 sq ft (super area)

What's typically included in the per-seat monthly fee:

- ✓ Workstation + ergonomic chair
- ✓ Housekeeping & maintenance
- ✓ Reception & visitor management
- ✓ High-speed internet (primary + backup)
- ✓ Meeting room credits (typically 40 hrs/mo)
- ✓ Pantry / tea-coffee station
- ✓ 24×7 security & CCTV
- ✓ Power backup (DG + UPS)
- ✓ Common area upkeep

NOTE: For managed offices, pricing is almost always quoted per seat (per month) - not by area. This makes budgeting simpler and more predictable.

Seating density guide:

Dense (call centre): ~70–80 sq ft/seat | Standard GCC: ~100–120 sq ft/seat | Collaborative/premium: ~130–150 sq ft/seat

What We Deliver

Our Process & Timeline

From your brief to operational Day 1 — in 6 weeks

Day 1	Week 1	Week 2	Weeks 3–5	Week 6
01	02	03	04	05
Discovery Call	**Site Shortlisting**	**Site Visits & LOI**	**Fit-Out & Setup**	**Handover & Go-Live**
Confirm requirements, budget, micromarket & go-live date	3–5 curated options presented with full market benchmarks	In-person tours, negotiation & Letter of Intent	Branding, IT infra & amenities installed end-to-end	Walkthrough, team onboarding & Day 1 operations

Why This Works for You

Managed office vs. traditional lease - at a glance

Criteria	Managed Office ✓	Traditional Lease
Upfront Capital Expenditure	✓ Zero CapEx	✗ ₹2–5 Cr+ fit-out
Time to Move In	✓ 4–6 weeks	✗ 3–6 months
Facilities Management	✓ Fully handled	✗ Tenant's burden
Lease Flexibility	✓ 1-3 yr terms	✗ 3-9 yr lock-in
Scalability	✓ Easy to scale up	✗ Complex & costly
Branded Interiors	✓ Custom branding	✗ Bare-shell space
Single Point of Contact	✓ Yes - us	✗ Multiple vendors
Statutory Compliance	✓ Operator-managed	✗ Tenant's burden

Next Steps

Here's how we move from proposal to keys-in-hand:

1. **Align on requirements -**
   Confirm location, budget, area, amenities & timeline — any open items

2. **We present shortlist -**
   3–5 managed office options with full market benchmarks & floor plans

3. **Site visits & selection -**
   In-person tours followed by shortlisting your preferred option

4. **LOI & agreement signing -**
   We negotiate and execute on your behalf — full legal support included

5. **Fit-out, setup & handover -**
   Branding, IT, FM all live before your team walks in on Day 1

Ready to move forward? Let's schedule your site visits this week.

Thank You

We look forward to building your next great office in India.
